

**April**  
*A Thought on Prayer*

Thank you, Lord Jesus, for being so near,  
Nearer than hands or feet.  
May my words be pleasing to your ear,  
And all my meditations be sweet.

May actions speak louder than words, dear Lord,  
That others may see in me  
A reflection of what we read in your word,  
Of all that a Christian should be.

May this be my purpose and goal in life,  
To let my light shine for you  
That others may glorify thee, dear Lord,  
And be drawn to follow you, too.
